

LIST OF PARTICIPANTS, 2016

For the 7th KIWA Exhibition, we received prints by 128 artists from 32 countries. There are 57 males and 71 females. There also are more prints of higher quality than in previous exhibitions. This shows that mokuhanga on a world scale is increasing in excellence and skill. KIWA is so proud of being a part of this universal progress in print art. The exhibition will be March 22 to 27 in the Kyoto Municipal Museum, Annex.
